3. Product Decision Rules

Under PKR 110,000: recommend NovaBook Lite 14 for basic study, browsing, documents, and programming practice.
Under PKR 160,000: NovaBook Air 14 is the balanced choice for stronger multitasking.
Development: NovaBook Pro 15 is preferred for heavier development and multitasking.
Design/video: NovaBook Studio 16 is preferred when higher resolution and 32GB memory are important.
Reading/study: NovaTab 11 is preferred when a tablet is sufficient.

4. Shipping Policy

Standard delivery is available nationwide. Orders above PKR 100,000 receive free standard delivery. Orders below PKR 100,000 have a PKR 350 standard delivery charge. Estimated standard delivery is 3–5 business days.

5. Return & Exchange Policy

Eligible returns may be requested within 7 calendar days of delivery. The product must be unused, complete, and in original packaging with accessories. Physical damage caused after delivery is not covered by the normal return policy. Exchanges depend on stock availability.

6. Warranty Policy

NovaBook laptops: 1-year limited hardware warranty. NovaPhone and NovaTab: 1-year limited hardware warranty. NovaMouse M2: 6-month limited hardware warranty. Manufacturing defects are covered; accidental damage, liquid damage, and unauthorized repairs are not covered.

7. Payment Information

Payment methods: cash on delivery for eligible orders, bank transfer, and major debit/credit cards. Never share a payment PIN, password, or one-time verification code with store staff.

8. Frequently Asked Questions

Q: Which laptop is best for a student on a limited budget?

A: NovaBook Lite 14 at PKR 99,000.

Q: Which laptop is better for software development?

A: NovaBook Pro 15, with Core i7, 16GB RAM, and 1TB SSD.

Q: Is delivery free?

A: Yes, for orders above PKR 100,000. Otherwise the standard charge is PKR 350.

Q: Can I return a laptop?

A: An eligible return can be requested within 7 calendar days if the product is unused, complete, and in original packaging.

Q: How long is the laptop warranty?

A: NovaBook laptops have a 1-year limited hardware warranty.

Q: Which device is best mainly for reading and study?

A: NovaTab 11.

Q: Which phone is better for photography?

A: NovaPhone Pro.

Q: Can the agent recommend products not in this document?

A: No. It should state that the information is not available in the private knowledge base.

9. Agent Grounding Instructions

The agent must prioritize retrieved information from this document. If the answer is not supported by the retrieved context, it should clearly say that the information is not available in the private knowledge base instead of inventing facts.

Suggested tests: laptop under PKR 150,000 for programming; return policy; free delivery for PKR 120,000; best device for reading; product for video editing; warranty of NovaMouse M2.
